Vessel : Morbihan

Defect ID : 100

**Defect Details**

During the passage on 29 november 2023 from DDC TO KOUROU , While 2 AB was Preparing the pilot ladder , one of them was without life vest . Chief officer seen that the AB is doing the job without proper PPE , & called them on radio and told to wear the life vest and then only proceed to the work .  
 After that incident we discussed this matter in safety meetings also that , while preparing or securing the pilot ladder , Must wear life vest because on that area there is high risk of slip & fall which can lead to a big accident.
