**Follow Up**

On	By	Follow Up	
03/Aug/2023	Oleg Myronov   Staff Code - 10630 - MST	Discussed on morning job plan meeting. Remind crew good work practice on board. Pointed that after completion of job all equipment should be secured properly.	
02/Aug/2023	Nawin Khaware	Provide complete fields of causes, corrective action and preventive action plans. Just by writing one liner details doesn't suffice any purpose of reporting. If you consider this as near miss then carry out complete investigation and establish causes, CA & PA. Once done then select applicable tags by pressing on drop down list and select the applicable tags from here and then resubmit.
