Causes

PERSONAL FACTOR

Corrective Action

Immediately called all the shore workers and crew members for meeting and a General briefing was carried out in crew mess room and discussed the potential hazards of not wearing proper PPE while working. All shore workers were advised to work with proper safety while carrying out any work and always keep working areas clean and working materials to be properly secured to avoid any accident, and take all precautionary measures while working at any location in future. Also to be discussed in the upcoming safety meeting.
