Maritec Tanker Management Private Limited

Vessel - Asphalt Teranga (IMO: 9263942)

Inspection Type	M 3.50 Navigation Audit
Inspection Date	20 Jul 2022
Inspector	Fiacre Fonseca
From Port	Mersin
To Port	Mersin
Hours Onboard	34 H
Avg Audit Findings	54 %
No of NCRs	0
No of observation	16

Crew Interview & Attendance Record

Staff Name	Rank	Remarks
10353 - Valerios Jose Fernandes	3/OFF	

Auditor Signature

Fiacre Fonseca

Maritec Tanker Management Private Limited

Vessel - Asphalt Teranga (IMO: 9263942)

Negative Findings

Defect ID	Chapter	Category	Question	Answer Details	Is Critical	Status	Link

Additional NCRs

Defect ID	NCR No	Observations	Date of Disposition	Status

Additional Observations

Defect ID	Observations	Date of Disposition	Status
86	Onboard Weather Fascimile not tested.	01 Aug 2022	Completed
87	As Echo sounder readings fluctuating sometimes, No record of Depth comparisons done Manual Soundings / chartered depth / Echo Sounder readings. Echo sounder display of bridge front panel reading 8.60m to Echo Sounder Display on Bridge console reading 5.31m	20 Aug 2022	Completed
88	No Procedure available to test Navigation light failure alarm.	19 Aug 2022	Completed
89	Vessel experiencing GPS malfunction continuously at Mersin, Visual / radar fixes not carried to monitor vessel position in port.	19 Aug 2022	Completed
90	Watch levels not maintained as required, no lookout available during port approaches.	20 Aug 2022	Completed
91	Vessel has 2 AB's & 1 OS, However Bosun was not familiar with steering duties onboard. Need to be familiarise in case of any urgency.	24 Jul 2022	Completed
92	Gyro to magnetic compass change over procedure not available or not tried, same needs to be tested in case of gyro failure. Vessel has one gyro.	20 Aug 2022	Completed
93	COG & SOG input not available in Radars.	20 Aug 2022	Completed
94	Pitch control handle ineffective beyond 60%, need to shift to back up lever.		Pending
95	VDR playback procedure posted, but Crew members still unable to recover Data. VDR Playback software also not available.	19 Aug 2022	Completed
96	Bridge toilet light was clamped to be in on position all the time, during night watch would affect navigator's vision	20 Aug 2022	Completed
97	GMDSS Logbook: Record of monthly examination was not completed	19 Aug 2022	Completed
98	Radar Log: Part A technical Details page was not completed for both radars, which included max observed PM length, List of shadow sectors.	20 Aug 2022	Completed
99	In Pilot Card: Certain sections not completed such as tug rendezvous position, Mooring configuration, Mooring sequence, Mooring diagram, No Pilot Initials or remarks.	20 Aug 2022	Completed
100	Officer's unaware of use of following buttons on bridge console Emergency Stop Override	20 Aug 2022	Completed
101	Preparation for Sea checklist for departure Mersin was already prepared (boxes ticked out) when Vessel arrived at Port (A total failure of ISM)	19 Aug 2022	Completed

Maritec Tanker Management Private Limited

Vessel - Asphalt Teranga (IMO: 9263942)

Positive / Neutral Findings

Chapter	Category	Question	Answer Details	Is Critical	Link
01.00 - Navigation Audit	01.01 - Bridge Organisation	01.01.01 - Is "Working language on board is English" BPG 1.2.11 Remarks if response is "No"	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.01 - Bridge Organisation	01.01.02 - Are Bridge Watch Conditions maintained in compliance with SMS? Remarks if response is "No"	Grade - No Answer Remark :	No	
01.00 - Navigation Audit	01.02 - Passage Planning	01.02.01 - Are Company's Passage Plan Forms in use? Remarks if response is "No":	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.02 - Passage Planning	01.02.02 - Is Passage Plan Appraisal checklist prepared by the Navigating Officer and verified by the Master? Remarks if response is "No"	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.02 - Passage Planning	01.02.03 - Is berth-to-berth Passage Plan prepared by the Navigating Officer and verified by the Master? Remarks if response is "No":	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.02 - Passage Planning	01.02.04 - Are Squat and UKC calculated for all critical points in the passage and attached to the passage plan document; prepared by the Navigating Officer and verified by the Master? Remarks if response is "No":	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.02 - Passage Planning	01.02.05 - Is procedure for use of Navarea warnings, Navtex warnings, other navigation warnings, Temporary and Preliminary Notices in passage planning and during the voyage well established? Remarks if response is "No"	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.02 - Passage Planning	01.02.06 - Does the vessel maintain a systematic T&P Notice, Navarea Warnings and Navtex Warning file? Remarks if response is "No"	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.02 - Passage Planning	01.02.07 - Does position fixing interval practiced on board take into consideration the distance from nearest navigational hazard? Remarks if response is "No"	Grade - Yes Answer Remark :	No

Vessel - Asphalt Teranga (IMO: 9263942)

Chapter	Category	Question	Answer Details	Is Critical	Link
01.00 - Navigation Audit	01.02 - Passage Planning	01.02.08 - Are weather forecasts/warnings taken regularly, actioned and filed for record? Remarks if response is "No"	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.01a - Are following equipment checks carried out well before arrival port and recorded in the Bridge Note Book - Check Synchronisation of clocks for Bridge and ER and engine movement recorder	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.01b - Are following equipment checks carried out well before arrival port and recorded in the Bridge Note Book - Steering tested on all modes before arrival port and recorded in log book? BPG 4.5.1	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.01c - Are following equipment checks carried out well before arrival port and recorded in the Bridge Note Book - Confirm all Rudder angle indicators are displaying correctly	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.01d - Are following equipment checks carried out well before arrival port and recorded in the Bridge Note Book - Check alignment of all Gyro compass repeaters (incl. Radar and AIS)	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.01e - Are following equipment checks carried out well before arrival port and recorded in the Bridge Note Book - Verify and record gyro error, if practical	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.01f - Are following equipment checks carried out well before arrival port and recorded in the Bridge Note Book - Confirm Main Engine RPM Indicators on the bridge are displaying correctly	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.01g - Are following equipment checks carried out well before arrival port and recorded in the Bridge Note Book - Test bridge-ER telegraph	Grade - Yes Answer Remark :	No	

Maritec Tanker Management Private Limited

Vessel - Asphalt Teranga (IMO: 9263942)

Chapter	Category	Question	Answer Details	Is Critical	Link
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.01h - Are following equipment checks carried out well before arrival port and recorded in the Bridge Note Book - Test main engine and thrusters (if any) are operating in both directions and satisfactorily	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.01i - Are following equipment checks carried out well before arrival port and recorded in the Bridge Note Book - Test all modes of communication available between Steering Compartment, Engine Room, Emergency Maneuvering Station and Wheelhouse (including walkie-talkie radio)	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.01j - Are following equipment checks carried out well before arrival port and recorded in the Bridge Note Book - Check window wipers and clear view screens are operational	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.01k - Are following equipment checks carried out well before arrival port and recorded in the Bridge Note Book - Verify that Radar performance is satisfactory	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.01l - Are following equipment checks carried out well before arrival port and recorded in the Bridge Note Book - Conduct operational test of ship's whistle fore and aft (as applicable)	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.01m - Are following equipment checks carried out well before arrival port and recorded in the Bridge Note Book - Check PA System, walkie-talkie radio and General Alarm	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.01n - Are following equipment checks carried out well before arrival port and recorded in the Bridge Note Book - Check all Mooring winch and anchoring equipment operability	Grade - Yes Answer Remark :	No	

Maritec Tanker Management Private Limited

Vessel - Asphalt Teranga (IMO: 9263942)

Chapter	Category	Question	Answer Details	Is Critical	Link
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.01o - Are following equipment checks carried out well before arrival port and recorded in the Bridge Note Book - Verify VDR is operational	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.01p - Are following equipment checks carried out well before arrival port and recorded in the Bridge Note Book - Complete the Pilot Card?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.02 - Is Manual Steering used during Departure and Arrival port and is it recorded in the log book?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.03 - Is Test of Steering done before Departure port and recorded in log book? (refer SOLAS)	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.04a - Are the following carried out at least one hour before departure port or the soonest thereafter and recorded in the Bridge Note Book - Confirm with ER that required number of generators are in operation (minimum 2), for departure port.	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.04b - Are the following carried out at least one hour before departure port or the soonest thereafter and recorded in the Bridge Note Book - Verify berth to berth passage plan is available	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.04c - Are the following carried out at least one hour before departure port or the soonest thereafter and recorded in the Bridge Note Book - Verify Under Keel Clearance calculations have been completed correctly for the time of departure	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.04d - Are the following carried out at least one hour before departure port or the soonest thereafter and recorded in the Bridge Note Book - Check charts for intended voyage are updated and available and courses plotted berth to berth	Grade - Yes Answer Remark :	No

01.00 - Navigation Audit	01.03 - Watch keeping	01.03.04e - Are the following carried out at least one hour before departure port or the soonest thereafter and recorded in the Bridge Note Book - Notify crew about time of departure?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.05a - Navigation in Restricted Visibility - Is there record that Master is notified about restricted visibility?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.05b - Navigation in Restricted Visibility - Is there a record of use of sound reception system in restricted visibility?	Grade - No Answer Remark : NA	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.05c - Navigation in Restricted Visibility - Is there a record of use of fog signals in restricted visibility?	Grade - No Answer Remark : NA	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.05d - Navigation in Restricted Visibility - Is there a record that additional lookouts are posted in restricted visibility?	Grade - No Answer Remark : NA	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.05e - Navigation in Restricted Visibility - Does vessel proceed at safe speed in restricted visibility?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.05f - Navigation in Restricted Visibility - Is SMS Checklist used in restricted visibility and are records available in the log book?	Grade - No Answer Remark : NA	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.06 - Is Echo Sounder scale used appropriate?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.07 - Is Astronomical Navigation practiced by navigators at sufficient frequency to ensure that emergency position fixing can be achieved in case of failure of electronic navigational instruments?	Grade - No Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.08 - Does magnetic compass deviation stated in the deviation card/table match closely with the actual deviations recorded in Compass Error Book?	Grade - Yes Answer Remark :	No	

Chapter	Category	Question	Answer Details	Is Critical	Link
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.09 - Is compass error verified every watch at sea and additionally after any large alteration of course? Is verification of compass error recorded in the log book during each watch at sea and at anchor? If error is unobtainable, is this fact is recorded in the log book?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.10 - Is more than one method of position fixing used, wherever available?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.11 - Is watch handover procedure complied with? Is Checklist used for watch handover and recorded in log book each watch?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.12 - Do all watch keepers know and comply with relevant legislation related to navigational duties?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.13 - Are procedures for the Master to assume control from the duty officer complied? Is record is maintained in Bridge Note Book whenever Master takes over con and hands over con?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.14 - Is Navigation equipment checked prior to departure, during voyage and before approaching coastal and congested waters and entering port? Is SMS Checklist – Navigation, Coastal Waters and TSS used and recorded in log book?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.15 - Is ship reporting systems (certain geographical areas) complied with?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.16 - Is magnetic and gyro compasses compared at least each watch and recorded in the log book?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.17 - Are procedure and obligations for received distress messages complied with?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.18 - Are obligations in relation to SAR operations complied with?	Grade - Yes Answer Remark :	No	

Chapter	Category	Question	Answer Details	Is Critical	Link
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.19 - Is the depth finder operated continuously when making a landfall and in coastal waters?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.20 - Is test of astern propulsion done before commencing manoeuvring or approaching port (whichever is earlier) and is it recorded in the log book?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.21 - Are all watch keeper provided a minimum rest period as per regulations?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.22 - Are records maintained of fire rounds being completed after each watch?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.23 - Is look out maintained at all times at sea? (One man bridge operation from sunset to sunrise is not permitted)	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.24 - Is there a record in the log book for completion of SMS Checklist – Daily tests and checks at noon, while the vessel is at sea?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.03 - Watch keeping	01.03.25 - Other Comments If response is No.		No	
01.00 - Navigation Audit	01.04 - Pilot age	01.04.01 - Are procedures for pilot boarding complied with?		No	
01.00 - Navigation Audit	01.04 - Pilot age	01.04.02 - Is Master / Pilot information exchange carried out in compliance with procedures?	Grade - Yes Answer Remark : Some relevant Information not filled in checklist	No	
01.00 - Navigation Audit	01.04 - Pilot age	01.04.03 - If vessel has special features (e.g. flap rudder, thrusters, CP propellers characteristics), has specific limitations of these equipments been discussed with the pilot?		No	
01.00 - Navigation Audit	01.04 - Pilot age	01.04.04 - Other Comments If Response is No.		No	
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.01a - Is up-to-date version of the following publication available and is each publication corrected to the latest BA NTM available on board? - Radio lists	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.01b - Is up-to-date version of the following publication available and is each publication corrected to the latest BA NTM available on board? - Charts	Grade - Yes Answer Remark :	No

01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.01c - Is up-to-date version of the following publication available and is each publication corrected to the latest BA NTM available on board? - Sailing Directions	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.01d - Is up-to-date version of the following publication available and is each publication corrected to the latest BA NTM available on board? - Lists of Lights	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.01e - Is up-to-date version of the following publication available and is each publication corrected to the latest BA NTM available on board? - Notice to Mariners		No	
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.01f - Is up-to-date version of the following publication available and is each publication corrected to the latest BA NTM available on board? - Tide Tables	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.01g - Is up-to-date version of the following publication available and is each publication corrected to the latest BA NTM available on board? - Chart Catalogue	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.01h - Is up-to-date version of the following publication available and is each publication corrected to the latest BA NTM available on board? - Other Nautical Publications?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.02 - Are appropriate Charts and nautical publications available for the intended voyage? BPG 4.11.1	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.03 - Is the largest scale chart available and used for each passage?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.04 - Is last position transferred from previous chart to next chart?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.05 - Are all cancelled charts and/or cancelled publications removed from the wheelhouse or its vicinity?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.06 - Is Notice to Mariners available on board for the last 2 calendar years?	Grade - Yes Answer Remark : Electronic format	No	

Maritec Tanker Management Private Limited

Vessel - Asphalt Teranga (IMO: 9263942)

Chapter	Category	Question	Answer Details	Is Critical	Link
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.07 - Is the echo sounder recorder marked with a reference date and time on each occasion it is switched on and for each significant event?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.08 - Is the course recorder kept on at all times, except when vessel is alongside berth?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.09 - Does vessel have at least two working GPS receivers (incl. one DGPS)?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.10 - Is GPS datum set to WGS84?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.11 - Are radar performance checks carried out each watch by shipboard personnel and recorded in the deck log book? (Vessels provided with a performance monitor shall record the value obtained and compare it to the original value.)	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.12 - Is risk assessment of "Use of ECDIS for Navigation" conducted at least once every three months?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.13 - Is the static and dynamic information of AIS up-to-date at all times?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.14 - Is sound reception system working?	Grade - No Answer Remark :	No	
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.15 - Is Autopilot operation on Transmitting Magnetic Compass tested every month and recorded in log book?	Grade - No Answer Remark :	No	
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.16 - Are Master and Nav. Officers familiar with procedure for downloading VDR data?	Grade - No Answer Remark :	No	
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.17 - When was last random download of VDR data required by office?		No	
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.18 - Additional Navigational Items identified		No	
01.00 - Navigation Audit	01.05 - Bridge Equipment	01.05.19 - Other Comments If Response is No.		No	
01.00 - Navigation Audit	01.06 - Documentation, Notices and Posters	01.06.01a - Are the following Registers and Logs maintained up-to-date on a regular basis? - Bridge Note Book (Movement or Bell Book)	Grade - Yes Answer Remark :	No	

Maritec Tanker Management Private Limited

01.00 - Navigation Audit	01.06 - Documentation, Notices and Posters	01.06.03d - Before commencing the voyage, are entries routinely made in log book and Bridge Note Book, as appropriate, for details of all data relating to the general condition of the ship, such as - Result of stability/stress checks when conducted, IMO Res. A 916(22)	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.06 - Documentation, Notices and Posters	01.06.03e - Before commencing the voyage, are entries routinely made in log book and Bridge Note Book, as appropriate, for details of all data relating to the general condition of the ship, such as - Inspections of controls, IMO Res. A 916(22)	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.06 - Documentation, Notices and Posters	01.06.03f - Before commencing the voyage, are entries routinely made in log book and Bridge Note Book, as appropriate, for details of all data relating to the general condition of the ship, such as - Steering gear, IMO Res. A 916(22)	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.06 - Documentation, Notices and Posters	01.06.03g - Before commencing the voyage, are entries routinely made in log book and Bridge Note Book, as appropriate, for details of all data relating to the general condition of the ship, such as - Navigational equipment; and IMO Res. A 916(22)	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.06 - Documentation, Notices and Posters	01.06.03h - Before commencing the voyage, are entries routinely made in log book and Bridge Note Book, as appropriate, for details of all data relating to the general condition of the ship, such as - Radio- communication equipment? IMO Res. A 916(22)	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.06 - Documentation, Notices and Posters	01.06.04 - Has Master carried out random checks of Charts and Publication corrections and recorded the same in the log book?	Grade - Yes Answer Remark :	No	

Chapter	Category	Question	Answer Details	Is Critical	Link
01.00 - Navigation Audit	01.06 - Documentation, Notices and Posters	01.06.05 - Has the ship-specific list of spaces that are required to be covered during safety rounds by lookout, identified by the Master and known to the Officer In-charge of a Navigational Watch and persons on lookout?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.06 - Documentation, Notices and Posters	01.06.06a - During the voyage, are entries routinely made in log book and Bridge Note Book, as appropriate, for details related to the voyage should be recorded, such as - courses steered and distances sailed, IMO Res. A 916(22)	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.06 - Documentation, Notices and Posters	01.06.06b - During the voyage, are entries routinely made in log book and Bridge Note Book, as appropriate, for details related to the voyage should be recorded, such as - position fixings, IMO Res. A 916 (22)	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.06 - Documentation, Notices and Posters	01.06.06c - During the voyage, are entries routinely made in log book and Bridge Note Book, as appropriate, for details related to the voyage should be recorded, such as - weather and sea conditions, IMO Res. A 916(22)	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.06 - Documentation, Notices and Posters	01.06.06d - During the voyage, are entries routinely made in log book and Bridge Note Book, as appropriate, for details related to the voyage should be recorded, such as - changes to the voyage plan, IMO Res. A 916(22)	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.06 - Documentation, Notices and Posters	01.06.06e - During the voyage, are entries routinely made in log book and Bridge Note Book, as appropriate, for details related to the voyage should be recorded, such as - details of pilots (including pilot's embarkation/disembarkation with name of pilot), IMO Res. A 916(22)	Grade - Yes Answer Remark :	No	

Chapter	Category	Question	Answer Details	Is Critical	Link
01.00 - Navigation Audit	01.06 - Documentation, Notices and Posters	01.06.06f - During the voyage, are entries routinely made in log book and Bridge Note Book, as appropriate, for details related to the voyage should be recorded, such as - entry into areas covered by, and compliance with, ship routeing or reporting systems, IMO Res. A 916(22)	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.06 - Documentation, Notices and Posters	01.06.06g - During the voyage, are entries routinely made in log book and Bridge Note Book, as appropriate, for details related to the voyage should be recorded, such as - Times of attendance and/or connection and disconnection of tugs	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.06 - Documentation, Notices and Posters	01.06.06h - During the voyage, are entries routinely made in log book and Bridge Note Book, as appropriate, for details related to the voyage should be recorded, such as - Times of berthing and un-berthing	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.06 - Documentation, Notices and Posters	01.06.06i - During the voyage, are entries routinely made in log book and Bridge Note Book, as appropriate, for details related to the voyage should be recorded, such as - hazardous occurrences and accidents		No	
01.00 - Navigation Audit	01.06 - Documentation, Notices and Posters	01.06.06j - During the voyage, are entries routinely made in log book and Bridge Note Book, as appropriate, for details related to the voyage should be recorded, such as - Manual Steering tested each watch?	Grade - Yes Answer Remark :	No	
01.00 - Navigation Audit	01.06 - Documentation, Notices and Posters	01.06.07a - On special events, are entries routinely made in log book and Bridge Note Book as appropriate, for details about special, such as - Death and injuries among passengers and crew and passengers,		No
