Question	Answer Details	Is Critical	Link
01.07.04k - Have drills and exercise programs been established and followed by the Company in order to test planned responses of the crew readiness to all identified emergencies - Man overboard and Search and Rescue operations?	Grade - Yes		
	NA		
01.07.04l - Have drills and exercise programs been established and followed by the Company in order to test planned responses of the crew readiness to all identified emergencies - Piracy and terrorism?	Grade - Yes		
	NA		
01.07.04m - Have drills and exercise programs been established and followed by the Company in order to test planned responses of the crew readiness to all identified emergencies - Shifting of cargo?	Grade - Yes		
	NA		
01.07.04n - Have drills and exercise programs been established and followed by the Company in order to test planned responses of the crew readiness to all identified emergencies - Serious injury and illness?	Grade - Yes		
	NA		
01.07.05a - Are records kept of all drills and exercises - Altogether, by the company?	Grade - Yes		
	NA		
01.07.05b - Are records kept of all drills and exercises - Individually, by each vessel?	Grade - Yes		
	NA		
01.07.06 - Check from the record kept by the company if drills and exercises regularly performed?	Grade - Yes		
	NA		
01.07.07 - The results of drills and exercises evaluated upon completion and proposals of improvement are submitted in writing, if it is considered necessary?	Grade - Yes		
	NA		
01.07.08 - Check if a responsible person of shore management periodically witness and report upon the effectiveness of shipboard drills and exercises?	Grade - Yes		
	NA		
01.07.09 - Does shore management review ships S.M.S. and, if it is considered necessary, impose recommendations arising from drills and exercises?	Grade - Yes		
	NA		

Category: 01.08 - Reports And Analysis Of Non-Conformities, Accidents And Hazardous occurrences

Question	Answer Details	Is Critical	Link
01.08.01a - Does each vessel of the Company formally report the following to the Designated Person(s) ashore, as per the relevant procedures of S.M.S - Accidents?	Grade - Yes		
	NA		
01.08.01b - Does each vessel of the Company formally report the following to the Designated Person(s) ashore, as per the relevant procedures of S.M.S - Hazardous occurrences?	Grade - Yes		
	NA		

Maritec Tanker Management Private Limited

Vessel - Mumbai Office (IMO: 121253)

Question	Answer Details	Is Critical	Link
01.08.01c - Does each vessel of the Company formally report the following to the Designated Person(s) ashore, as per the relevant procedures of S.M.S - Non-conformities within the SMS (including unsafe conditions / unsafe operations)?	Grade - Yes		
01.08.02 - Does the Company keep records of all the above reports?	NA		
	Grade - Yes		
	NA		
01.08.03 - Does the company formally acknowledge in writing receipt of above reports ?	Grade - Yes		
	NA		
01.08.04a - Are the reports of accidents and hazardous occurrences from vessels submitted to the DP in respect of following circumstances - Facilities involving crewmembers and third parties?	Grade - Yes		
	NA		
01.08.04b - Are the reports of accidents and hazardous occurrences from vessels submitted to the DP in respect of following circumstances - Injuries to crewmembers and third parties?	Grade - Yes		
	NA		
01.08.04c - Are the reports of accidents and hazardous occurrences from vessels submitted to the DP in respect of following circumstances - Illness of crewmembers?	Grade - Yes		
	NA		
01.08.04d - Are the reports of accidents and hazardous occurrences from vessels submitted to the DP in respect of following circumstances - Fire and explosion?	Grade - Yes		
	NA		
01.08.04e - Are the reports of accidents and hazardous occurrences from vessels submitted to the DP in respect of following circumstances - Grounding and stranding?	Grade - Yes		
	NA		
01.08.04f - Are the reports of accidents and hazardous occurrences from vessels submitted to the DP in respect of following circumstances - Damage to the vessel and / or equipment?	Grade - Yes		
	NA		
01.08.04g - Are the reports of accidents and hazardous occurrences from vessels submitted to the DP in respect of following circumstances - Damage to, and shifting of, cargo?	Grade - Yes		
	NA		
01.08.04h - Are the reports of accidents and hazardous occurrences from vessels submitted to the DP in respect of following circumstances - Damage to property?	Grade - Yes		
	NA		
01.08.04i - Are the reports of accidents and hazardous occurrences from vessels submitted to the DP in respect of following circumstances - Damage to (or by) other vessels?	Grade - Yes		
	NA		
01.08.04j - Are the reports of accidents and hazardous occurrences from vessels submitted to the DP in respect of following circumstances - Damage to the environment?	Grade - Yes		
	NA		
01.08.04k - Are the reports of accidents and hazardous occurrences from vessels submitted to the DP in respect of following circumstances - Loss of oil, bunkers, and hazardous or noxious substances?	Grade - Yes		
	NA		

Maritec Tanker Management Private Limited

Vessel - Mumbai Office (IMO: 121253)

Question	Answer Details	Is Critical	Link
01.08.04l - Are the reports of accidents and hazardous occurrences from vessels submitted to the DP in respect of following circumstances - Malfunction of critical machinery and equipment?	Grade - Yes NA		
01.08.04m - Are the reports of accidents and hazardous occurrences from vessels submitted to the DP in respect of following circumstances - Attacks by pirates / armed robbers?	Grade - Yes NA		
01.08.04n - Are the reports of accidents and hazardous occurrences from vessels submitted to the DP in respect of following circumstances - Security breaches including the discovery of stowaways on board ?	Grade - Yes NA		
01.08.04o - Are the reports of accidents and hazardous occurrences from vessels submitted to the DP in respect of following circumstances - Navigational incidents in a "Near Miss"?	Grade - Yes NA		
01.08.04p - Are the reports of accidents and hazardous occurrences from vessels submitted to the DP in respect of following circumstances - "Near Miss" incidents resulting in almost injury to personnel?	Grade - Yes NA		
01.08.04q - Are the reports of accidents and hazardous occurrences from vessels submitted to the DP in respect of following circumstances - Deviations from the company's drug and alcohol policy requirements?	Grade - Yes NA		
01.08.05a - Has the company establish procedures to formally investigate reports of - Accidents?	Grade - Yes NA		
01.08.05b - Has the company establish procedures to formally investigate reports of - Hazardous occurrences?	Grade - Yes NA		
01.08.05c - Has the company establish procedures to formally investigate reports of - Non-conformities within the SMS (including unsafe conditions / unsafe operations)?	Grade - Yes NA		
01.08.06a - Are standard forms used for the investigation of - Accidents?	Grade - Yes NA		
01.08.06b - Are standard forms used for the investigation of - Hazardous occurrences?	Grade - Yes NA		
01.08.06c - Are standard forms used for the investigation of - Non-conformities within the SMS (including unsafe conditions / unsafe operations)?	Grade - Yes NA		
01.08.07a - Does the SMS require that investigations into accidents and hazardous occurrences include written details of the following (where appropriate) - Comments about the accuracy of the written reports?	Grade - Yes NA		
01.08.07b - Does the SMS require that investigations into accidents and hazardous occurrences include written details of the following (where appropriate) - Interviews with key witnesses, if any?	Grade - Yes NA		

Maritec Tanker Management Private Limited

Vessel - Mumbai Office (IMO: 121253)

Question	Answer Details	Is Critical	Link
01.08.07c - Does the SMS require that investigations into accidents and hazardous occurrences include written details of the following (where appropriate) - Conclusions regarding basic causes?	Grade - Yes NA		
01.08.07d - Does the SMS require that investigations into accidents and hazardous occurrences include written details of the following (where appropriate) - Details of any deviation from national or international rules and regulations, navigational guidelines and / or SMS requirements?	Grade - Yes NA		
01.08.07e - Does the SMS require that investigations into accidents and hazardous occurrences include written details of the following (where appropriate) - Recommendations for undertaking corrective actions?	Grade - Yes NA		
01.08.08 - Does the SMS include procedures requiring reports and investigations to be evaluated at the appropriate level of management with the objective of preventing their re-occurrence?	Grade - Yes NA		
01.08.09 - Does a regular meeting take place involving senior management Personnel to review accidents, hazardous occurrences, non-conformities and measures for preventing their re-occurrence?	Grade - Yes NA		
01.08.10 - Does the SMS require, the Company to take both long and short term corrective actions for preventing the re-occurrence of accidents, hazardous occurrences and non-conformities?	Grade - Yes NA		
01.08.11 - Does SMS require conclusions of reviews and evaluations by the Management to be recorded, and the details to be distributed to the Senior Management of the Company and other responsible staff?	Grade - Yes NA		
01.08.12 - Does the Company inform in writing to the Master of each vessel the conclusions of the Company, even if no corrective action is considered necessary?	Grade - Yes NA		
01.08.13 - Does the SMS include procedures to verify the implementation of the corrective actions ?	Grade - Yes NA		
01.08.14 - Does the SMS require the Company to keep records and statistically analyses the frequency of all accidents, etc. ?	Grade - Yes NA		

Category: 01.09 - Maintenance Of The Ship And Equipment

Question	Answer Details	Is Critical	Link
01.09.01 - Has the Company established procedures to ensure that the vessels are inspected and maintained according to applicable rules and regulations and with any additional requirements which may be imposed by the company?	Grade - Yes NA		
01.09.02a - To ensure compliance with the applicable rules, regulations and company's requirements, the following should be met - Inspections of hull, machinery and equipment by appropriate, qualified and experienced senior officers at specified intervals?	Grade - Yes NA		

Maritec Tanker Management Private Limited

Vessel - Mumbai Office (IMO: 121253)

Question	Answer Details	Is Critical	Link
01.09.02b - To ensure compliance with the applicable rules, regulations and company's requirements, the following should be met - Inspections of hull, machinery and equipment by qualified and experienced senior officers at specified intervals?	Grade - Yes NA		
01.09.02c - To ensure compliance with the applicable rules, regulations and company's requirements, the following should be met - Routine maintenance procedures for hull, machinery and equipment?	Grade - Yes NA		
01.09.02d - To ensure compliance with the applicable rules, regulations and company's requirements, the following should be met - Rectification procedures for hull, machinery and equipment defects?	Grade - Yes NA		
01.09.03a - Are checklists used for inspections of hull, machinery and equipment, when carried out by - Senior officers onboard the ship?	Grade - Yes NA		
01.09.03b - Are checklists used for inspections of hull, machinery and equipment, when carried out by - Company's superintendents (i.e. Chief Officers, Chief Engineers)?	Grade - Yes NA		
01.09.04 - Are checklists used by ships' crew to aid the routine inspection and maintenance of hull, machinery and equipment?	Grade - Yes NA		
01.09.05a - Does the SMS include routine inspection and maintenance procedures - Shell, deck plating and superstructure steelwork?	Grade - Yes NA		
01.09.05b - Does the SMS include routine inspection and maintenance procedures - Internal bulkheads, frames, brackets, etc.?	Grade - Yes NA		
01.09.05c - Does the SMS include routine inspection and maintenance procedures - Ballast / double bottom tanks & pumping systems?	Grade - Yes NA		
01.09.05d - Does the SMS include routine inspection and maintenance procedures - Watertight doors?	Grade - Yes NA		
01.09.05e - Does the SMS include routine inspection and maintenance procedures - Gangways, ladders & other boarding arrangements?	Grade - Yes NA		
01.09.05f - Does the SMS include routine inspection and maintenance procedures - Cargo spaces and ventilation's arrangements?	Grade - Yes NA		
01.09.05g - Does the SMS include routine inspection and maintenance procedures - Cargo handling / pumping arrangements?	Grade - Yes NA		
01.09.05h - Does the SMS include routine inspection and maintenance procedures - Pipelines and valves?	Grade - Yes NA		

Maritec Tanker Management Private Limited

Vessel - Mumbai Office (IMO: 121253)

Question	Answer Details	Is Critical	Link
01.09.05i - Does the SMS include routine inspection and maintenance procedures - Fire fighting appliances and equipment?	Grade - Yes		
	NA		
01.09.05j - Does the SMS include routine inspection and maintenance procedures - Life saving appliances and equipment?	Grade - Yes		
Y	NA		
01.09.05k - Does the SMS include routine inspection and maintenance procedures - Pollution prevention arrangements?	Grade - Yes		
	NA		
01.09.05l - Does the SMS include routine inspection and maintenance procedures - Navigational equipment?	Grade - Yes

01.09.05p - Does the SMS include routine inspection and maintenance procedures - Auxiliary machinery?	Grade - Yes		
	NA		
01.09.05q - Does the SMS include routine inspection and maintenance procedures - Bunkering arrangements and separator systems?	Grade - Yes		
	NA		
01.09.05r - Does the SMS include routine inspection and maintenance procedures - Cabins and washrooms?	Grade - Yes		
	NA		
01.09.05s - Does the SMS include routine inspection and maintenance procedures - Waste disposal and sewage systems?	Grade - Yes		
	NA		
01.09.06 - Is every inspection report signed by the person responsible?	Grade - Yes		
	NA		
01.09.06 - Is every inspection report signed by the person responsible?	Grade - Yes		
	NA		
01.09.07a - Copies of all inspection and maintenance records are held - Altogether by the company?	Grade - Yes		
	NA		

Maritec Tanker Management Private Limited

Vessel - Mumbai Office (IMO: 121253)

Question	Answer Details	Is Critical	Link
01.09.07b - Copies of all inspection and maintenance records are held - Individually, by each vessel?	Grade - Yes NA		
01.09.08 - Are copies of inspection and maintenance reports kept for a minimum specified period?	Grade - Yes NA		
01.09.09 - The Company procedure for maintenance of records is being followed in practice?	Grade - Yes NA		
01.09.10a - Check if each inspection report shows - The nature of all defects, deficiencies and non-conformities observed?	Grade - Yes NA		
01.09.10b - Check if each inspection report shows - Probable causes of all defects, etc.	Grade - Yes NA		
01.09.10c - Check if each inspection report shows - Proposals for corrective actions?	Grade - Yes NA		
01.09.11 - Are all inspection and maintenance reports reviewed and monitored by a qualified and responsible person(s) ashore?	Grade - Yes NA		
01.09.12 - Does a qualified and responsible person check all reports of defects, deficiencies and non-conformities and, where appropriate, recommends corrective action?	Grade - Yes NA		
01.09.13 - Is the responsible superintendent informed of the deficiencies and recommendations that have been found?	Grade - Yes NA		
01.09.14 - Check if, upon the deletion of recommendations, the ship's staff gives written confirmation of rectification's to a responsible person ashore?	Grade - Yes NA		
01.09.15 - Are formal meetings involving Senior Management personnel held regularly to discuss the reported deficiencies, non -conformities and their rectification procedures?	Grade - Yes NA		
01.09.16 - Do the Company's records indicate that the above rectification procedures are followed in practice?	Grade - Yes NA		
01.09.17a - Check if the following personnel appear to be familiar with applicable classification society and flag state requirements - Senior deck and engineer officers?	Grade - Yes NA		
01.09.17b - Check if the following personnel appear to be familiar with applicable classification society and flag state requirements - Company superintendents?	Grade - Yes NA		

Maritec Tanker Management Private Limited

Vessel - Mumbai Office (IMO: 121253)

Question	Answer Details	Is Critical	Link
01.09.17c - Check if the following personnel appear to be familiar with applicable classification society and flag state requirements - Senior manager / director with overall responsibility for technical matters?	Grade - Yes		
01.09.18a - To ensure that senior officers are familiar with the above requirements, check if following information is available for reference onboard the ship - Copies of relevant statutory legislation?	NA		
01.09.18b - To ensure that senior officers are familiar with the above requirements, check if following information is available for reference onboard the ship - Copies of relevant classification society rules and regulations?	Grade - Yes		
01.09.19a - To ensure that responsible staff members are familiar with the relevant requirements, check if the following information is available in the Company office - Copies of relevant legislation and conventions?	NA		
01.09.19b - To ensure that responsible staff members are familiar with the relevant requirements, check if the following information is available in the Company office - Copies of relevant classification society rules and regulations?	Grade - Yes		
01.09.19c - To ensure that responsible staff members are familiar with the relevant requirements, check if the following information is available in the Company office - Copies of the latest Class Survey status for each vessel?	NA		
01.09.20a - Are copies of all classification society and Port state control inspection reports held - Altogether, by the Company?	Grade - Yes		
01.09.20b - Are copies of all classification society and Port state control inspection reports held - Individually, by each vessel?	NA		
01.09.21a - For study and reference purposes, is a technical library existing - In the Company's premises?	Grade - Yes		
01.09.21b - For study and reference purposes, is a technical library existing - On board each vessel?	NA		
01.09.22a - Does the technical library in the company's premises include the following documentation? - Manufacturers' manuals for principal machinery and equipment of each vessel?	Grade - Yes		
01.09.22b - Does the technical library in the company's premises include the following documentation? - Key plans and drawings for each vessel? (e.g. general arrangement capacity plan, shell expansion, fire control plan etc.)	NA		
01.09.22c - Does the technical library in the company's premises include the following documentation? - Key technical data for each vessel? (E.g. stability information tank sounding tables, etc.)	Grade - Yes		
01.09.23 - Check if above data are maintained in the technical library of the vessel?	NA		

Maritec Tanker Management Private Limited

Vessel - Mumbai Office (IMO: 121253)

Question	Answer Details	Is Critical	Link
01.09.24 - Are SMS procedures maintained to ensure that the above technical libraries are monitored and kept fully updated by a responsible person(s)?	Grade - Yes NA		
01.09.25 - Are the due dates of all class and statutory surveys monitored and reviewed by a responsible and qualified person ashore?	Grade - Yes NA		
01.09.26 - Are procedures, ensuring all vessels are provided with sufficient stores and spare parts followed in practice?	Grade - Yes NA		
01.09.27a - Do the above procedures require a qualified and responsible officer(s) aboard each vessel to - Keep an inventory of deck stores, engine stores and spare parts?	Grade - Yes NA		
01.09.27b - Do the above procedures require a qualified and responsible officer(s) aboard each vessel to - Forward inventories of stores and spare parts to the Company on a regular basis?	Grade - Yes NA		
01.09.27c - Do the above procedures require a qualified and responsible officer(s) aboard each vessel to - Notify the Company in writing of stores and spare parts required?	Grade - Yes NA		
01.09.27d - Do the above procedures require a qualified and responsible officer(s) aboard each vessel to - Record the arrival of stores and spare parts received?	Grade - Yes NA		
01.09.27e - Do the above procedures require a qualified and responsible officer(s) aboard each vessel to - Maintain records of all the above?	Grade - Yes NA		
01.09.28a - Is there a responsible person in the company who - Monitors all deck and engine room inventories?	Grade - Yes NA		
01.09.28b - Is there a responsible person in the company who - Monitor and satisfy on requests, stores and spare parts?	Grade - Yes NA		
01.09.28c - Is there a responsible person in the company who - Notify vessels of all stores and spare parts dispatched?	Grade - Yes NA		
01.09.28d - Is there a responsible person in the company who - Record details of all stores and spare parts dispatched?	Grade - Yes NA		
01.09.28e - Is there a responsible person in the company who - Maintain records of all the above?	Grade - Yes NA		
01.09.29 - Are third party contractors (e.g. gangs) directed to carryout work on board advised of all relevant SMS safety and pollution prevention procedures by a qualified and responsible officer?	Grade - Yes NA		

Maritec Tanker Management Private Limited

Vessel - Mumbai Office (IMO: 121253)

Question	Answer Details	Is Critical	Link
01.09.30a - Are specific measures followed in practice regarding the routine maintenance and testing of the following equipment and systems at specified intervals? - Fire pumps and back-up systems?	Grade - Yes NA		
01.09.30b - Are specific measures followed in practice regarding the routine maintenance and testing of the following equipment and systems at specified intervals? - Generators?	Grade - Yes NA		
01.09.30c - Are specific measures followed in practice regarding the routine maintenance and testing of the following equipment and systems at specified intervals? - Steering gear system?	Grade - Yes NA
